Answer

MINISTER OF DEFENCE (SHRI GEORGE FERNANDES)

(a) The details of allocated and actual strength of NCC cadets at bothjunior and senior stage in different wings during the last three years are enclosed as Appendices A1 to A6

(b) Cadet strength has been enhanced in November, 2001 and October, 2002 by 76,560 and 23,440 respectively. Though new cadet strength was added to NCC in two stages, the increase has been allocated to variousState Dtes. during the year 2002-2003 according to the additional cadet strength requested for by the concerned State Governments. State-wise and wing-wise distribution in the senior and junior division is given at Appendices B1 and B2 attached.

(c) The difference in the allocation of cadet strength among the States is due to the requests for additional strength and commitment for funding support by the State Governments.
